13th Congress of the European Hip Society

20–22 September 2018 The Hague, The Netherlands

Welcome

Dear members and friends of the European Hip Society,
Dear colleagues and guests,

We are looking forward to welcome you at the 13th biennial meeting of the European Hip Society (EHS) in the World Forum congress centre in The Hague, The Netherlands. The EHS meeting is the international European platform to get informed about the latest innovations in the field of hip care and hip surgery, to discuss treatment options, to meet the industry and the European hip community. By attending this meeting you can provide your patients the best hip care according to the latest international standards. In addition, The Hague has a very international esteem and is located very close to Schiphol Amsterdam airport for excellent flight connections.

Dr. Berend Willem Schreurs, EHS President (2016–2018)

Highlight topics

- The young patient with a hip prosthesis
- State of the art of customized 3D hip prostheses in hip revisions
- Revision surgery in total hip arthroplasty
- Hip registries

Congress formats

Symposia, instructional lectures, oral presentations, e-posters, industry workshops, commercial exhibits, attractive sites and social events

Call for abstracts

Submit your abstract covering the field of hip diseases online from September 2017 – March 2018: www.ehs-congress.org

Target audience

Our biennial congress offers the perfect platform for orthopaedic surgeons, clinicians and scientists in European and beyond, along with their various societies to exchange current hip diagnostics, indications and therapies to help in their professional performance every day.

EHS – European Hip Society

The EHS aims to advance the exchange of medical experiences, scientific developments and knowledge regarding juvenile and adult hip diseases. www.europeanhipsociety.com
