Meet you there!

13th Congress of the European Hip Society

Congress President:
Dr. Berend Willem Schreurs, Nijmegen

20–22 September 2018
The Hague, Netherlands

www.ehs-congress.org
GET YOUR EHS CONGRESS 2018 APP!

- The full scientific programme with all sessions, speakers and topics at your fingertips.
- Create your own schedule by selecting favourites.
- Q&A is embedded in the app and available for all sessions.

How to download and open the EHS Congress:
1. Access the Apple or Google Play store
2. Download the app “SynopticCon”
3. Click on the button “Congresses” and scroll to the icon of the EHS Congress 2018
4. Click on the button “Open Congress”
Welcome Message

Dear members and friends of the European Hip Society,
Dear colleagues and guests,

We very much look forward to seeing you at the European Hip Society 2018 in The Hague, Netherlands, for our society’s 13th biennial meeting. For information on the latest innovations in hip care and hip surgery, to discuss treatment options, meet the industry and your hip friends, the EHS congress is unmissable. International as well as European hip surgeons depend on our meetings to get up to date information on international standards, to provide their patients with the best in hip care.

The city of The Hague has a very international esteem. The congress will take place at the World Forum congress centre – very easy to get to, situated close to Schiphol Amsterdam airport for excellent connections, worldwide.

A special welcome to the A.CA.RO, the Argentine Hip Society who is our EHS Guest society 2018 as well to the Dutch Hip Society.

Dr. B. Willem Schreurs
EHS President (2016–2018)

Join the EHS now
If you are interested in hip surgery and are not already an EHS member, why not join today? We will be delighted to welcome you. Application is straightforward, online, and once a member, you can take advantage of the various benefits. Just visit www.europeanhipsociety.com or email our Membership Secretary, Samantha Stokes at samstokesehs@gmail.com

Why be part of EHS?
• EHS is an internationally renowned orthopaedic society established in 1992
• Develop a professional network
• Opportunities to lecture around the world with EHS support
• Visit international hip centres of excellence
• Actively participate in hip research with the support of EHS
• Members profit from reduced fees of the Hip International journal

Preliminary Scientific Programme

THURSDAY, 20 SEPTEMBER 2018

8:00–10:00 Parallel Oral sessions

10:00–10:30 Coffee break, visit of industry and poster exhibition

10:30–12:00 SY1 Treatment options of the symptomatic adolescent hip
Chair: Klaus-Arno Siebenrock (Switzerland)

15'+0' Adolescent necrosis of the femoral head
Rüdiger Krauspe (Germany)

15'+0' Modified Dunn: treatment concept for severe capital slips
Klaus-Arno Siebenrock (Switzerland)

15'+0' DDH: when and how to treat
Manoj Ramachandran (United Kingdom)

0'+30' Discussion

10:30–12:00 SY2 Knowledge gaps in perioperative management
Chair: Per Kjaersgaard-Andersen (Denmark), Stephan Vehmeijer (Netherlands)

12'+3' Choice of thrombosis prophylaxis
Emmanuel Thienpont (Belgium)

12'+3' Prevention of infection
Murat Bozkurt (Turkey)

12'+3' New developments in anesthesia
Jörgen Bruhn (Netherlands)

25'+20' Fast-track concept and pain management
Henrik Kehlet (Denmark)

12:00–13:30 Lunch break, visit of industry and poster exhibition

12:15–13:15 Parallel Industry Symposia (see page 15)

13:30–14:30 ICL1 Resurfacing surgery revisited, is there any reason?
Chair: Julien Girard (France), Evert Smith (United Kingdom)

10'+5' Data analysis of 11,386 resurfacing arthroplasties in patients under 50 years
Catherine Van der Straeten (United Kingdom)

10'+5' Advantages and disadvantages of RA
Julien Girard (France)

10'+5' Early development and results of RA
Evert Smith (United Kingdom)

10'+5' RA versus alternative bearings in the young patient
Ronan Treacy (United Kingdom)

Preliminary Scientific Programme

FRIDAY, 21 SEPTEMBER 2018

8:00–9:00 Parallel Oral sessions

9:00–10:00 ICL3 ACARO’s activity as a guest nation
Chair: Andres Silberman (Argentina), Werner E. Siebert (Germany)

2’+0’ Welcome
B. Willem Schreurs (Netherlands)

4’+0’ Introduction
Martin Buttaro (Argentina)

9’+0’ THA in acute septic arthritis and sequelae
Fernando Lopreite (Argentina)

9’+0’ Use of standardized infection ratio to assess the impact of preventive measures in THA
Federico Burgo (Argentina)

0’+4’ Discussion
Fernando Comba (Argentina)

9:00–10:00 Award Abstracts session

10:00–10:30 Coffee break, visit of industry and poster exhibition

10:30–12:00 SY5 The young patient with a total hip
Chair: Sören Overgaard (Denmark), B. Willem Schreurs (Netherlands)

15’+0’ How many young patients are affected, indications, prevalence and the growth of the number of THA in these younger patients
Sören Overgaard (Denmark)

15’+0’ Registry data on outcomes and revision in the young
Henrik Malchau (Sweden)

15’+0’ Cemented total hips in the very young, 180 THA under 30 yrs
Pablo Maletti (Argentina)

15’+0’ Bipolar prosthesis in unstable intertrochanteric hip fractures. Results in patients of 70 years or older
German Viale (Argentina)

0’+5’ Discussion
Fernando Comba (Argentina)

9:00–10:00 SY3 How to prevent dislocation after THA and treatment options for recurrent instability
Chair: Luigi Zagra (Italy), Jean-Alain Epinette (France)

15’+0’ Incidence and risk factors: who, when and why our patients dislocate?
Giuseppe Solarino (Italy)

15’+0’ What are the surgical tips and tricks to avoid dislocation?
Eduardo Garcia Cimbreló (Spain)

15’+0’ Which femoral head size: are big heads a solution? Overview and trends throughout registries
Mazar Mohadess (Sweden)

10’+0’ Current status and indications for “modern” Dual Mobility cups: could they be the best option, even in younger patients?
Andre Ferreira (France)

10’+0’ Can HXLPE liners be a reliable and of value option in DM cups? Any concern with metal liners?
Jean-Alain Epinette (France)

10’+0’ Is there still an indication for constrained liners?
Philippe Hernigou (France)

10’+0’ Techniques and outcomes of soft tissue management
Stephen Jones (United Kingdom)

0’+20’ Discussion

9:00–10:00 SY4 Proximal femoral fractures: defining the problem and treatment options
Chair: Theofilos Karachalios (Greece), Gósta Ullmark (Sweden)

15’+3’ A critical analysis of registry data related to hip fractures
Cecilia Rogmark (Sweden)

15’+3’ The “winner” patient
Theofilos Karachalios (Greece)

15’+3’ Implant selection for optimal treatment
George Babis (Greece)

15’+3’ Functional recovery
Klaus-Peter Günther (Germany)

15’+3’ A National System approach
Antony Johansen (United Kingdom)

18:30–19:00 Opening & Keynote lecture
Chair: B. Willem Schreurs (Netherlands)

10’+0’ Welcome messages
B. Willem Schreurs (Netherlands)

20’+0’ Highlight
Keynote lecture: Obesity and total hip replacement – Challenges and facts
Per Kjaersgaard-Andersen (Denmark)

Preliminary Scientific Programme

SATURDAY, 22 SEPTEMBER 2018

8:00–9:00 Parallel Oral sessions

9:00–10:00 ICL5 The infected total hip
Chair: Per Kjaersgaard-Andersen (Denmark), Carsten Perka (Germany)

10'+5’ Bacteriologic diagnosis of an infected hip arthroplasty: difficulties and mistakes in one-stage protocols
N. N.

10'+5’ Bacteriologic diagnosis of an infected hip arthroplasty: advantages and mistakes with two-stage protocols
José Cordero-Ampuero (Spain)

10'+5’ Nowadays protocols for treatment: indications, contraindications and advantages with one-stage protocols
N. N.

10'+5’ Nowadays protocols for treatment: advantages, disadvantages and surprises with two-stage protocols
José Cordero-Ampuero (Spain)

9:00–09:30 ICL6 Short stems in primary THA
Chair: Werner E. Siebert (Kassel)

10'+5’ Short stems in primary THA – general aspects from anatomy to biomechanics
Jörg Jerosch (Germany)

10'+5’ Short stems in primary THA – results in literature & registries
Werner E. Siebert (Germany)

9:30–10:00 ICL7 Hip Arthroscopy
Chair: Hans Gollwitzer (München)

10'+5’ Indications for hip arthroscopy: what are predictors of good and bad results?
Hans Gollwitzer (Germany)

10'+5’ Technical pearl session: tips and tricks for successful hip arthroscopy
Lorenz Büchler (Switzerland)

10:00–10:30 Coffee break, visit of poster exhibition

10:30–12:50 SY9 New developments in THA: Tele-medicine, computer assistance and customization of implants
Chair: Luigi Zagra (Italy), Henrik Malchau (Sweden)

12'+0’ Tele Orthopedics is going to change where and how we deliver care
Jonathan Schaffer (United States of America)

10'+0’ Will computer model predict our implant choice and outcome?
Nico Verdonschot (Netherlands)

10'+0’ Computer navigation overview and state of the art
Carsten Perka (Germany)

10'+5’ Using virtual reality as a tool for THA placement
Eleftherios Tsiridis (Greece)

12'+0’ The 3D Revolution. From Printing Prosthetics to Bioscaffolds, from Printing Instruments to Living Tissue:
What Can We Print Now?
Kenneth Trauner (United States of America)

10'+0’ First experience with custom made 3D printed cups in revisions
Gis van Hellemondt (Netherlands)

10'+0’ Antibiotic impregnated polyethylene and with local anaesthetics: a new era of an “old” material?
Henrik Malchau (Sweden)

10'+0’ New diagnostic tools for PJI and “customized” antibiotics on the implants
Luigi Zagra (Italy)

0'+15’ Discussion

26'+10’ Companies view of the future

12:50 Farewell

Faculty

The European Hip Society would like to thank all faculty members for their very much appreciated and valuable contribution.

Please find the complete faculty list quickly and easily in the web programme on our website www.ehs-congress.org/web-programme or use the congress app (see page 2).
Industry Workshops
Thursday, 20 September 2018

**Silver Partners**

The European Hip Society would like to thank the partners of the 13th Congress of the European Hip Society for their extraordinary support.

**Partners**

We thank the exhibitors of the 13th Congress of the European Hip Society for their support.

- **B. Braun Aesculap** 78532 Tuttingen, Germany
- **Arthrex GmbH** 81249 Munich, Germany
- **CeramTec GmbH** 73207 Plochingen, Germany
- **European Hip Society** 55236 Panorama, Thessaloniki, Greece
- **Heraeus Medical GmbH** 61273 Wehrheim, Germany

As of April 2018

Do you want to become a partner or exhibitor at the EHS Congress?
Please send an email for further information: lisa.jung@intercongress.de
Registration
Please register online at www.ehs-congress.org.

Registration fees include morning and afternoon scientific sessions, instructional course lectures, lunchtime symposia, access to technical exhibits, delegate’s badge, coffee breaks and the Welcome Reception. A separate fee is applicable for the Congress Dinner.

For group registrations please send an email to ehs-congress@intercongress.de and request the special group booking form.

Awards
The two best presentations, after due evaluation by the Scientific Committee, will receive an award granted by Hip International of EUR 1,500 and EUR 1,000 respectively. The awarded abstracts will be published as full original articles/reviews in a forthcoming issue of “Hip International”. All accepted abstracts will be included in a regular issue of “Hip International” available at the Congress.

CME credits
The EHS Congress will be submitted for accreditation to the UEMS (European Union of Medical Specialists) for European CME credits at the European Accreditation Council for Continuing Medical Education (EACCME).

Coffee & lunch breaks
During the breaks participants will be provided with coffee, tea and water – free of charge. Snacks and drinks are also available throughout the whole meeting for a small charge at the World Café on the Ground floor.

Social events
Get together, 20 September 2018 EUR 0
Congress Dinner, 21 September 2018 EUR 69

Alterations & cancellation of congress registration
Written notification is required for all congress cancellations and name changes. Notifications should be sent to EHS congress office ehs-congress@intercongress.de. For alterations of reservations or any other invoiced item an administrative charge of 20.00 EUR will be charged. A cancellation charge of 30.00 EUR will be charged for cancellations until 23 August 2018. The fee for congress participation will not be refunded, even in case of non-participation, if a cancellation is not received in time. A refused visa application is no reason for refund. Alternative participants are readily accepted for an administrative charge of 20.00 EUR. No reimbursement will be made in case of cancellation of a social program from a participant. Please find full terms and conditions online at www.ehs-congress.org/registration.

Insurance
Registration fees for the congress do not include any insurance. Neither the local organizing committee nor EHS Executive Committee will accept any responsibility or liability for any injuries, losses or damages sustained as a result of any cancellation, accidents, illness or other occurrences that may arise in connection with EHS congress 2018, unless occur as a result of our own negligence.

Mobile phones
All attendees are requested to turn-off or put their mobile phones in the silent mode during all scientific sessions.

Non-smoking
All venues for the conference are strictly no-smoking.

WiFi
Free WiFi is available in the congress center. Login and password will be announced on-site.

Congress website
http://www.ehs-congress.org

Delegate’s badge
Your personal badge is your entrance ticket to all sessions as well as the exhibition. Please, remember to wear your badge at the congress and the social events.

Industry exhibition
An industry exhibition will take place at the World Forum congress centre. It will be open on Thursday and Friday during the meeting opening hours. Exhibitors will present a wide range of orthopaedic related products and services. Participants are encouraged to take advantage of this unique opportunity to be updated with the most recent advances and the latest news from our industry partners.

Interested companies may contact Ms Lisa Jung (lisa.jung@intercongress.de) for further exhibit- and sponsoring information.
World Forum congress centre
Churchillplein 10
2517 JW The Hague
Netherlands
www.worldforum.nl

The World Forum is the leading international convention centre in The Hague and is perfectly situated between the city centre and the beach.

Getting to the venue

by plane
The international airports of Amsterdam Schiphol and Rotterdam-The Hague are less than 45 minutes from The Hague and are easily accessible by car or public transport.

Hint: Profit from reduced fares with our airline special on our website
www.ehs-congress.org/airline-special

by train
The Hague has two main train stations. Trains from Belgium, Amsterdam/Schiphol and Rotterdam arrive at the Hollands Spoor station, whilst trains from the Germany and Utrecht direction come into Den Haag Central Station.

by public transportation
The Hague has an excellent public transport system. From both train stations you can easily reach the World Forum with the tram within 20 minutes.

by car
The Hague is also accessible from two major motorways: from the A4 between Rotterdam and Amsterdam and the A12 from the direction of Utrecht and Germany.

Hotel
I.T.O. / The Hague Hotel Service is the official housing agency for the Congress and discounted rates for conference delegates have been negotiated. There is a great selection of hotels available near the World Forum and in the City Centre. Please consult the website www.ehs-congress.org/hotel.
